Financial Literacy Month Fun!

Students at **Collins-Riverside School**, our **Adopt-A-School partner**, showed off their money smarts in the **Smart Money Poster Contest!**

We had the honor of presenting awards to the winners and celebrating their creative ways of thinking about saving and spending wisely.

We're proud to help build financially smart futures—one student at a time!

Introducing Choices for Change: A New Community Service Program

In January 2025, **Healing The World With The Word Ministries** proudly launched **Choices for Change**, a community service initiative designed to empower individuals while supporting our mission of service and outreach.

We're proud to help build financially smart futures—one student at a time!

How It Works:

- **Life Skills Classes:**
  Participants can earn **2 hours of Community Service** for each **weekly Life Skills class** they attend. Classes focus on practical topics to support personal growth and are offered once a week. Volunteers may attend as many sessions as needed to fulfill their required hours.

- **Additional Volunteer Opportunities:**
  Beyond Life Skills classes, community members can serve in a variety of ways, such as:

  - **Stuffing envelopes** for our mailing list
  - Assisting with our **Adopt-a-School** program
  - Helping during our **Money & Me Financial Literacy Workshops** (held quarterly)
  - Supporting **special events and community projects** as opportunities arise

Choices for Change is more than just completing hours—it's about learning, growing, and giving back.

For more information or to get involved, please contact us at:
healingtheworldwiththeword@gmail.com

Together, we're creating **Choices for Change**—one step, one hour, one life at a time.
