DISASTER RELIEF

Healing The World With The Word Ministries Receives American Red Cross Disaster Relief Grant

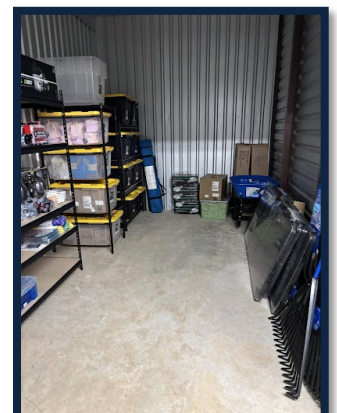

*When disaster strikes, communities need hope, compassion, and immediate support. Thanks to a generous **Disaster Relief Grant from the American Red Cross**, Healing The World With The Word Ministries is expanding its disaster response efforts to better serve families throughout West Alabama.*

*The grant has enabled our organization to receive emergency response equipment and disaster relief supplies that will allow our newly established **HTWWTW Disaster Response Team** to respond more efficiently during times of crisis.*

From organizing emergency supplies to preparing equipment for deployment, our volunteers are building a stronger foundation for serving families affected by fires, tornadoes, flooding, and other disasters. Every shelf assembled and every supply bin organized represents our commitment to being ready when our neighbors need us most.

For more than a decade, Healing The World With The Word Ministries has responded to the needs of our community. Through this partnership with the American Red Cross, we are strengthening that commitment by increasing our capacity to provide compassionate, organized, and timely disaster assistance.

We extend a special thank you to Dr. Tomalisa Washington, Executive Director of the American Red Cross of West Alabama, for her leadership and support in making this initiative possible.

Our Disaster Response storage unit is being organized with emergency equipment and supplies, allowing our team to respond quickly when disasters occur.

A Message from the Founder & Executive Director

Dear Friends,

As I reflect on this season, my heart is filled with gratitude for all that God continues to do through **Healing The World With The Word Ministries**. Every student encouraged, every family served, and every partnership formed reminds me that God continues to open doors for us to make a lasting difference in our community.

This year has also been a season of growth for me as a leader. I was blessed to attend **Congresswoman Terri Sewell's 2026 Grants Workshop**, **The Community Summit 2026**, and the **National Future Business Leaders of America (FBLA) Conference**. Each experience provided valuable knowledge, new ideas, and practical strategies that will help us strengthen our organization and expand our impact. These opportunities have challenged me to think bigger, lead with greater purpose, and continue building an organization that is **farther, better, and stronger**.

One exciting milestone featured in this newsletter is our partnership with the **American Red Cross**, which has enabled us to establish the **HTWWTW Disaster Response Team**. This investment strengthens our ability to respond to disasters while continuing our work in education, financial literacy, scholarships, and community outreach.

As our ministry grows, so does the need for faithful partners. I invite you to join us in making a difference by becoming a **financial supporter** or **volunteer**. Your generosity and service allow us to continue transforming lives and meeting the needs of our community.

Thank you for believing in our mission and for supporting the work of Healing The World With The Word Ministries. Together, we are making an impact today while building a stronger tomorrow.

May God continue to bless you and your family.

With Gratitude,

Lizzie Williams

Building Financially Smart Futures

As part of **Financial Literacy Month**, Healing The World With The Word Ministries partnered with our Adopt-A-School, **Collins-Riverside Intermediate School**, to host the **Smart Money Digital Design Contest**. Students used their creativity and financial knowledge to design digital projects that encouraged wise money habits and financial responsibility.

Congratulations to Our Winners!

- 🏆 **1st Place:** Jerry Edward – "Why Money Matters"
- 🏆 **2nd Place:** Kymani Jamar Perry – "Smart Money Habits"
- 🏆 **3rd Place:** Taylor Archibald – "Saving Money: Why Bother?"
- 🏆 **People's Choice Award:** Paislee Cochran – "Money Tips"

It was a joy to recognize these outstanding students and celebrate their hard work, creativity, and understanding of important financial concepts. Programs like this inspire young people to develop smart financial habits that will benefit them throughout their lives.

*"He sent out His word
and healed them from
their destruction."
- Psalms 107:20*

Financial Literacy Workshop

Empowering youth and adults with practical financial literacy skills during two separate community workshops at the Weaver-Bolden Library.
