Moving Forward with Purpose

“We are not just responding to needs — we are building legacy.”

As we enter a new season, we are reminded that every act of service plants a seed. At Healing The World With The Word Ministries, we do not simply host programs — we build people. We strengthen families. We empower communities.

This quarter has been filled with meaningful moments of impact. From education enhancement initiatives and financial literacy workshops to community outreach and faith-based encouragement, we have continued to serve with excellence and intention. Each event, partnership, and volunteer effort reflects our commitment to making a lasting difference.

What makes this work truly special is you — our supporters, volunteers, families, and partners. Because of your generosity and dedication, students are gaining knowledge, families are receiving support, and lives are being encouraged through both practical resources and the Word of God.

As we look ahead, we remain focused on our core pillars:

- Education Enhancement
- Financial Literacy
- Disaster Relief
- Evangelism

We believe that when we combine faith with action, transformation happens. Thank you for standing with us, praying with us, and serving alongside us.

Together, we are not just responding to needs — we are building legacy.

A New Change Is Coming – Spring 2026

Beginning Spring 2026, our newsletters will look a little different. Instead of being mailed in large envelopes, they will be folded and mailed without envelopes.

This change helps us reduce printing and postage costs so we can continue being good stewards and direct more resources toward serving our community.

So be on the lookout for our updated newsletter format in your mailbox! Thank you for your continued support and understanding.

In Honor & In Loving Memory

As part of our quarterly newsletter, we are honored to include a special Tribute & Recognition Section. This space is dedicated to celebrating the lives, legacies, and lasting impact of those who have touched our hearts and our community.

If you would like to give a contribution *in honor of* or *in loving memory of*, a loved one, their name will be respectfully recognized in our upcoming newsletter.

Your tribute is more than a gift—it is a meaningful way to celebrate a life, preserve a legacy, and continue the work of service in their honor through Healing The World With The Word Ministries.

For more information or to submit a name, please contact us at healingtheworldwiththeword@gmail.com.

*"We are building
legacy."*
