HOW WE SERVE

EVANGELISM

EDUCATION

FINANCIAL LITERACY

MISSION & OUTREACH

SCHOLARSHIPS

DISASTER RELIEF

Hope for Today. Strength for Tomorrow.

Finding encouragement and hope during challenging financial times.

Across our nation, families are facing difficult financial decisions. Rising costs of groceries, housing, utilities, transportation, and other everyday necessities are stretching household budgets. For many hardworking individuals, it seems that no matter how much they earn or how carefully they manage their money, there is never quite enough to cover everything.

*During seasons like these, it is easy to become discouraged, overwhelmed, or uncertain about the future. However, we want to remind you that **your current circumstances do not determine your future, and difficult seasons do not last forever.***

At Healing The World With The Word Ministries, we believe that hope is powerful, faith is essential, and even small steps can lead to meaningful change. Whether you are struggling to make ends meet, facing unexpected expenses, or simply trying to provide a better future for your family, remember that you are not alone. We encourage you to take one day at a time, make wise financial decisions, seek assistance when needed, and extend kindness to others. Sometimes the smallest acts of compassion can make the greatest difference in someone's life.

*As we celebrate **11 years of serving our communities**, our commitment remains stronger than ever. Through financial literacy, educational opportunities, scholarships, disaster relief, and community outreach, we continue working to educate, empower, and bring hope to individuals and families.*

*The Bible reminds us in Psalm 46:1, "**God is our refuge and strength, an ever-present help in trouble.**" (NIV)*

Whatever challenges you may be facing today, hold on to your faith, remain hopeful, and remember that brighter days are possible.

Together, we can encourage one another, strengthen our communities, and continue building a better tomorrow.

Celebrating Our Impact!

Three Consecutive Years as a V.I.P. Adopt-A-School Partner!

Healing The World With The Word Ministries is honored to be recognized for the third consecutive year as a V.I.P. Adopt-A-School Partner for Collins-Riverside Intermediate School! Since 2020, this partnership has allowed us to encourage students, support educators, and invest in educational success. Thank you to our volunteers, donors, and school partners for helping us make a difference!

Smart Holiday Money Moves

Enjoy the Holidays Without the January Regret!

The holidays should bring joy, not financial stress. Keep these five tips in mind:

1. **Set a budget:** Decide what you can afford before shopping.
2. **Make a list:** Plan purchases and avoid impulse spending.
3. **Compare prices:** Look for sales and discounts before buying.
4. **Be careful with Buy Now, Pay Later:** Small payments can quickly add up.
5. **Remember what matters:** Meaningful gifts and special memories do not have to be expensive.

Gratitude Doesn't Have to Cost Much! A handwritten note, encouraging text, homemade treat, or spending quality time together can mean more than an expensive gift. Sometimes the greatest gift is simply letting someone know they are appreciated.

*"He sent out His word
and healed them from
their destruction."
- Psalms 107:20*

Warm & Safe This Winter

As temperatures drop, protecting your family and home is important. Keep space heaters at least three feet away from anything that can burn. Never leave heaters unattended or use ovens to heat your home. Have fireplaces and chimneys inspected, use heating equipment according to manufacturer instructions, and check smoke and carbon monoxide alarms regularly.

Safety begins with preparation. Protect what matters most!

Help Us Make Christmas Brighter!

This Christmas, Healing The World With The Word Ministries will once again work to bring joy to students at our Adopt-A-School partner, Collins-Riverside Intermediate School.

You can help by making a monetary contribution or purchasing requested Christmas items. Together, we can remind children that their community cares about them!
